Hinterland homestead with absolute wow factor

This luxurious country home, situated on 20 prime level acres in the Noosa hinterland golden triangle, combines chic sophistication with all the attractions of a rural property.

The single-level, newly built residence boasts high ceilings and quality finishes throughout, a ton of living space, its own sauna and a sparkling 9 x 5.4m saltwater pool.

Then there's the stunning pool house, equipped with its own kitchen and serviced by a separate bathroom, providing the perfect entertaining space, guest accommodation or home office.

Outside, the infrastructure is exceptional. A large three-bay shed allows for storage of the biggest vehicles, and there's a spring fed dam, quality post-and-rail fencing, stabling or workshop space and a 20 x 60m sand arena ideal for schooling horses or siting your tennis court!

And it's all on a peaceful, private low-maintenance 20 acres with lovely country vistas in every direction.
