styling continues into the family bathroom with a sumptuous clawfoot bath.

The house has a continuous gas hot water system and there are fly screens and ceiling fans throughout. An 8kW split-system air conditioner provides powerful cooling.

Downstairs is the separate studio, designed to the same high-spec finish with its own access and verandah, kitchenette and large ensuite. Need an office, gym, retreat or granny flat? It could even be rented out as an extra income earner.

Outside, the easy-care gardens have been carefully planted with native flowering trees and shrubs. There is room for a pool on this 900m² block, and abundant level parking for caravans, boats or trailers - including a covered concreted carport accommodating up to four cars. Ample secure under-house storage means tools, mowers and surfboards can all be safely stowed.

The 6x9m garage is again fully self-contained and offers excellent scope for a work-from-home business. Fitted with a kitchenette, ensuite, washing machine fittings and separate continuous gas hot water system, it encompasses generous workshop space and separate access with level parking for vehicles large and small.

Just a five-minute drive to the beach yet close to local schools, transport links, shops and amenities, 17 Birdwing Forest Place is a bespoke home in a dress-circle location.
