water fountains.

The contemporary kitchen features stone benchtops, a sit-up counter, double Smeg wall ovens, five-burner gas cooktop, Miele dishwasher and ample storage and prep space.

On one side of the house is the lovely master suite boasting walk in robe, chic ensuite and sliding door access to the entertaining deck.

On the other are four more bedrooms, all offering fitted robes, creating scope for work-from-home office space without compromising on sleeping accommodation. They are serviced by a modern family bathroom encompassing bath and shower.

Cooling is ensured through ducted air conditioning, with ceiling fans and flyscreens allowing the breezes to circulate. Utility costs are low thanks to solar hot water, an 8kW solar power system and 60,000L of filtered tank water.

The triple-car remote garage has an adjacent shaded hardstanding area ideal for caravan or boat parking, and there is plenty of additional off-street parking and turning room at the front of the home.

A sheltered and fenced level side garden is the perfect place for pets and children to play safely. It leads down to a landscaped veggie patch with a series of raised, irrigated planting beds.

Native birds, kangaroos and wallabies are all regular visitors to the cleared, sloped grassland at the rear of the home. Whether you need a paddock for goats, orchard trees to complement the citrus already here, room for a second dwelling or just space to breathe, the mix of grass and bush is a natural buffer with potential for more.

'Omaroo' is a property spacious enough to accommodate extended gatherings without feeling too big to be impersonal.

It invites you to sit back and breathe in the surrounding landscape - whether your view is of morning mists shrouding the valley, or evening sunsets over the mountains.
