The contemporary-industrial design of this lovely home encompasses floating timber entry decks, honed matt-grey floor tiles and 2.7m ceilings feature throughout, creating a strong sense of light and flow.

There's ample room to accommodate extended family around your spacious dining table, while the living room includes a wood-burning stove for those rare chilly Sunny Coast nights.

The contemporary minimalist kitchen, complete with Bosch oven, Meile dishwasher, stainless appliances, double sinks and sit-up Caesarstone counter, is backed by a large butler's pantry.

A well-equipped laundry with external access provides even more storage within this thoughtfully configured home.

Three downstairs queen bedrooms, all with built-ins, are serviced by a stylish double-sink bathroom with Caesarstone countertops, plus a separate WC.

Heading up the stunning whalebone-style floating staircase, a spacious master suite provides more panoramic views and a walk-through wardrobe leading to a chic double-vanity ensuite.

Cooling is ensured through split system air conditioning, while flyscreens, louvres and ceiling fans allow the coastal breezes to flow. 50,000L of triple-filtered tank water, meanwhile, ensures you will never run dry.

Outside, there's three-car remote-activated garaging, plus a carport designed to accommodate trailers, boats or caravans, all accessed through a remote front security gate.

The level front garden features a lovely firepit deck and is fully fenced to provide safe runaround space for kids and pets, while the rear comprises an orchard of lemons, limes, bananas, mangos, lychees, nectarines, plums, oranges, blood oranges, mandarins, mulberries, kaffir limes and passionfruit.

35 Sunrise Road invites you to sit back and soak up the panoramic country vistas from the main house or separate guest annex, within a pristine, low-maintenance hinterland home close to the coast's best beaches, restaurants, schools and amenities.
