The central living space separates the master suite at the front of the home, with the children's wing at the back. The master is complete with plantation shutters to the windows, a walk-in robe and beautiful double vanity ensuite with floor-to ceiling tiles. Three further bedrooms are equipped with built-in robes and ceiling fans, well-located off a second living area, children's retreat or games room. This inviting space boasts a wall-papered feature connecting this cosy space to the greenery outside. There is also direct access from this second living to the outdoor entertaining and pool. The main bathroom boasts floor-to-ceiling tiles and quality fittings as well as separate WC. The wallpaper from the children's retreat continues to the laundry, with ample bench space, hanging rail and access to the drying space at the side of the property. The clever design of this well-thought-out home presents excellent value to be appreciated by both investors and owner-occupiers. All that's left to do is move in and enjoy!
